Dear TSCRA members and friends,

Since meeting in Fort Worth last month, we've been excited to do it again in September at our Policy Conference. Unfortunately — as we've all grown accustomed over the last 18 months — circumstances have changed.

Due to rising COVID-19 cases among both the vaccinated and unvaccinated, and San Antonio's hospitals reaching capacity, we must convert our event to virtual. This was a difficult decision to make, and one that was not taken lightly. However, the safety of our members and staff must come first.

If you have already registered for the Policy Conference, you will receive a full refund. All refunds will be processed within 30 days. If you have booked a room at the Omni, your cancellation will be taken care of, and you will receive a notification confirming so in the coming days. Your credit card will not be charged. If you have any questions or concerns, please don't hesitate to let us know.

We will share details on the virtual event as soon as they are available. Please watch your email and our social media channels for the most up-to-date information.

If you have any questions, please reach out to us at [events@tscra.org](mailto:events@tscra.org). We hope to see you online next month!

Best regards,

Hughes Abell
